

What are the benefits of Natural Terracotta Tiles?

With softened, irregular edges, a pleasing surface texture and the flamed colour tones, Natural Terracotta Tiles bring back the welcoming atmosphere of country floors.

With wear, Natural Terracotta tiles, achieve a style, which improves their overall appearance.

Important features of Middle Earth natural terracotta tiles are:

- **Colourfast** - *will not fade with age (unlike concrete)*
- **Non-slip** - *the perfect tile for outdoor paving*
- **Do not Reflect Sunlight** - *will not dazzle in bright sunlight*
- **Long lasting** - *easy to maintain, no glaze to wear out*
- **Perfect as a heat soak** - *retaining heat remarkably well*
- **Factory Treated** - *to protect the tiles from water absorption and frost protection*

Middle Earth Terracotta tiles are the most Eco Friendly tile available in New Zealand

Like good wine, Natural Terracotta tiles improve with age
